Student Industry Mentor – Connect (SIMc)

SIMc (Student Industry Mentor-Connect) - bridges the gap between academic learning and industry demands by connecting our students with renowned industry professionals

SIMc – Objectives

Project-Based Learning: Encouraging and **inculcating higher order thinking** using mini projects at the II-year level and also connecting with the industry mentor, students would feel the industry environment in the institute itself.

Experimental Learning: Our students are **empowered to tackle real-world challenges** by industrial mentors and also to become more proficient engineers with the latest advancements in their field.

Professional Development: Students enhance their skills, and knowledge with **industry professionals by offering them practical perspectives** and also to become stable in the working environment with a good attitude.

Industry Ready Graduates: Our Student Industry Mentor – Connect program paves the way to their career with experienced industry mentors who **provide guidance, advice, and insights into the latest technologies and Industry trends**. By connecting our students from II years and up to IV years (3 Years duration), the students get complete alignment with the industry and become skilled industry ready graduates.
