STUDENT INDUSTRY MENTOR - CONNECT

SIMc (Student Industry Mentor-Connect) - bridges the gap between academic learning and industry demands by connecting our students with renowned industry professionals

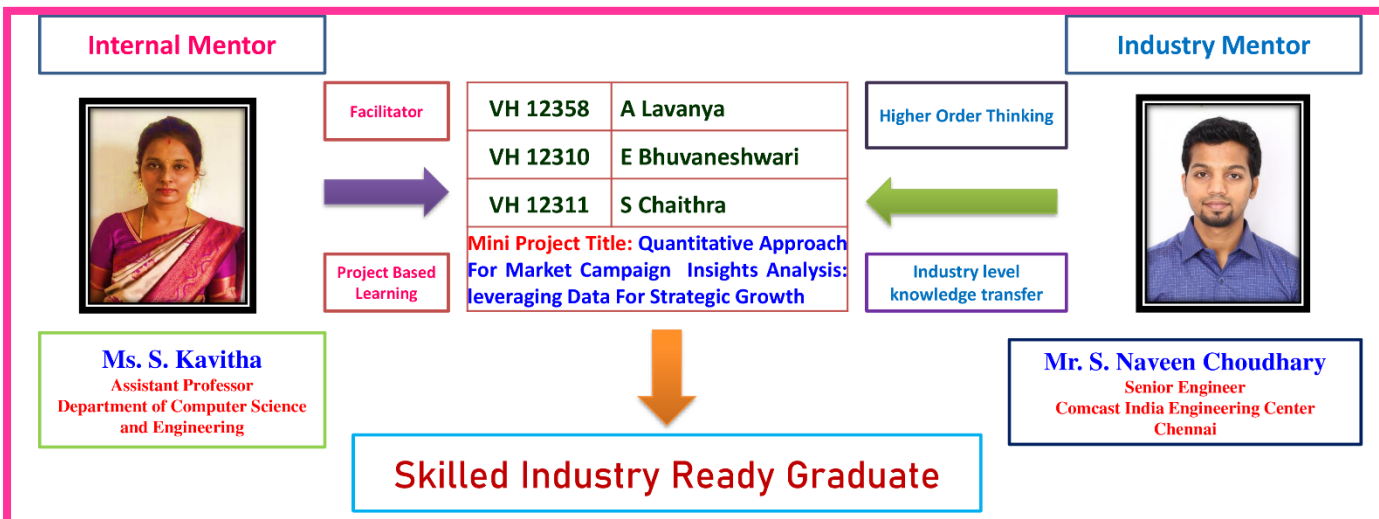

SIMc – OBJECTIVES

Project-Based Learning: Encouraging and **inculcating higher order thinking** using mini projects at the II-year level and also connecting with the industry mentor, students would feel the industry environment in the institute itself.

Experimental Learning: Our students are **empowered to tackle real-world challenges** by industrial mentors and also to become more proficient engineers with the latest advancements in their field.

Professional Development: Students enhance their skills, and knowledge with **industry professionals by offering them practical perspectives** and also to become stable in the working environment with a good attitude.

Industry Ready Graduates: Our Student Industry Mentor – Connect program paves the way to their career with experienced industry mentors who **provide guidance, advice, and insights into the latest technologies and Industry trends**. By connecting our students from II years and up to IV years (3 Years duration), the students get complete alignment with the industry and become skilled industry ready graduates.

Innovative Assignments (IAs)

Early Engagement and Preparation: Innovative assignment topics are carefully crafted by faculty members and approved by multiple academic heads, ensuring they are aligned with **thrust areas and recent technological advancements**. These assignments are provided to students **15 days** before the review date, allowing ample time for thorough preparation.

Comprehensive Evaluation: The review process includes a detailed assessment of the student's work based on criteria such as **write-up quality (20 marks)**, **presentation skills (10 marks)**, and **viva voce performance (10 marks)**. The innovative assignment presented by students are video recorded, uploaded in google drive, shared to students and their parents through ePR (e-Progress Report). This holistic approach ensures a well-rounded evaluation of the student's understanding and abilities.

Significant Weightage: Innovative assignments play a crucial role in the overall assessment, contributing **40 marks** per course in the semester. This emphasizes the importance of practical knowledge and presentation skills in the academic curriculum.

CREDENTIALS BY OUR PLACED STUDENTS

alist

Each class has been a valuable learning experience, and I am indebted to the entire teaching staff for their contributions to my academic growth. I am proud to be an alumna of VTHT and will carry the lessons learned here throughout my life.

Ms. Vanshika Rana, CSE (Batch: 2018-2022), CTC: 78.0 LPA

ZOH

Each class has been a valuable learning experience, and I am indebted to the entire teaching staff for their contributions to my academic growth. I am proud to be an alumna of VTHT and will carry the lessons learned here throughout my life.

Ms. Winselin.A, CSE (Batch: 2019-2023), CTC: 7.0 LPA

ZOH

The diverse clubs, sports, and cultural organizations allowed me to explore passions beyond academics, fostering leadership and teamwork skills. The placement training, with coding practice portals, not only prepared me for my career but also cultivated critical thinking and problem-solving abilities. Grateful for the support from our institution.

Ms. Sangeeth Sahana. D, CSE (Batch: 2019-2023), CTC: 7.0 LPA

HCL
HCL TECHNOLOGIES

I'm sincerely thankful to the Management, Principal, HOD, and Faculty members for their support in enhancing my knowledge in my domain. Our college provided valuable learning experiences, including symposiums, competitions, and internships, which boosted our confidence and knowledge exploration
